

Shangri-La Iced Tea . . . a great "first impression"

Iced Tea

SHANGRI-LA ICED TEA

Our hand picked teas are specifically selected to produce perfect iced tea. They are processed and packaged, both flavored and natural, to deliver the taste that every tea drinker will appreciate. For a food service establishment, Shangri-La Iced Tea creates a great "first impression" and we all know how important that can be.

Winner of the American Tasting Institute Award for seven years running as the Best of the Best Iced Teas in the United States, Shangri-La enjoys a reputation for quality and consistency that is unmatched in the industry.

FOR THE FOOD SERVICE INDUSTRY

Using the Shangri-La Iced Tea Program is more than just improving the quality of the beverage served. The primary reason for using Shangri-La is profits. If you don't offer great iced tea, a beverage that most people would normally not make at home, customers who do not drink sweet or carbonated beverages have no choice but to drink tap water.

Iced tea drinkers are among the most loyal customers. If they
